S-840 Laser Screed

\$750.00 Minimum

\$1.50 per mile travel One way

** Price includes screed operator

Customer is responsible for placement and finishing of concrete. Our operator will screed where possible customer will hand screed around pipes and in inaccessible areas.

Customer must provide access to and from slab, benchmark/elevation and source of water for clean up of the screed.

Southwest Concrete Construction, Inc. does not assume liability for lost time or materials due to malfunction or un-screedable mixes.
